

Says

What have we heard them say?  
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

It is not how many ideas you have,it is how many you make happen.

Temporary solutions often become permanent problems.

The Same equation have the same solution.

The future is all about leading a stress-free life.

Focus on solutions not on the problem.

Stop doubting yourself,work hard,and make it happen.

Identify your problems but give your power and energy to solutions.

Every minute you spend focusing on your problems you take away from finding your solutions.

Your dream job does not exist,you must create it.

Hope is born of participation in Hopeful solutions.

Winning shows a lack of character. If you don't like the way something is,do something to change it.

When you focus on your problems you will find them.

Does

What behavior have we observed?  
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?
